

## BRENTWOOD ECONOMIC DEVELOPMENT COMMITTEE SITE WALK MEETING MINUTES 2.27.23

A site walk of Brentwood Recreation Center was conducted on 2.27.2023 at 2pm. The site walk began at the Town Office where members of the Economic Development committee including Jon Morgan, Doug Finan, Kristen Aldred, and Bob Rossman met up with members of the Plan NH Team including Tiffany McNamara, Jamie Simchik and Sarah Wrightsman.

The team discussed the weekend itinerary, and what the Team will need to accomplish the Charrette. The Plan NH team encouraged the Economic Development Committee to look at previous charrettes they have done, particularly the Kelley Park, Bristol charrette. The Plan NH Team described the charrette as what is "possible" for the Brentwood Recreation Campus, this is not a plan which the Town must follow, but a chance for the Town to see what their Rec Center could be.

The site walk concluded at the Recreation Center with Team members discussing ideas and particular areas of interest at the location.
