

Town of Brentwood Planning Board
Meeting Agenda
August 15, 2024

Location : Brentwood Town Office , 1 Dalton Road, Brentwood NH 03833

7:00 pm: Site Plan review for MTI Polyexe, Parcel Number 205.006.001. The parcel is in the Commercial/Industrial zoning district, as well as in the Aquifer Protection District. The current use is an industrial facility consisting of an industrial building, mixed paved and gravel parking, access drive areas, a fire retention pond, stormwater management basins, and woodland areas. The proposed project includes an addition of an approximately 15,500-square-foot expansion on the west side of the existing building; addition of a 24-foot-wide gravel fire lane around the back of the building to provide site; perimeter access; installation of a water quality basin to provide water quality volume and peak-flow attenuation for the new building rooftop area and extension of the loading dock area on the east side of the building to reconfigure loading dock alignment.
