

Brentwood Fire Department

Your community needs you now more than ever!

The Brentwood Fire department is looking for call members to protect and serve its community. We are a combination department with Full Time, Per Diem and Call members. Full Time and Per Diem members serve 6:00AM – 6:00PM 7 days a week. At night the town is protected by the numerous paid Call fire and ambulance personnel who provide the additional coverage, responding from their homes. Call members also attend department trainings, meetings and community events. Being a call Firefighter / EMT is a great life experience and can open up doors to great and honorable career paths. The members of Brentwood Fire answer 911 emergency calls around the clock from their homes to serve and protect the town of Brentwood. Do you have what it takes to join our family?

Requirements:

- 18 years of age
- Valid driver's license
- Employment application
- Interview with the Fire Chief
- Driving and criminal background check
- Pre-employment drug screening
- Time and a sense of dedication

There are several different levels of Firefighter and EMT training you can acquire. Our basic requirements are acquiring a firefighter level 1 certificate and / or your EMT certificate during the time of your commitment. Reimbursement for courses is available when meeting department requirements. Information about these courses can be found at the NH Fire Academy website.
