PERMIT CLEAN AGENT FIRE EXTINGUISHMENT SYSTEM

*Permit fee: \$70.00 for a new system or Modifications of 6 or more devices made payable to the "Town of Brentwood, NH".
Permit fee is \$35.00 on alterations of 1 to 5 devices made payable to the "Town of Brentwood, NH"*

Permit is hereby granted for the installation of a clean agent system. It is understood that prior to installation, approval for the system is contingent on the installer meeting NFPA 2021, Clean Agent Fire Extinguishing Systems and NFPA 1, Uniform Fire Code most recent editions as approved by NH State Fire Code.

A complete set of plans must accompany the permit fees at the time of submission. "Complete" means plans shall be accompanied by a letter from the designer that the plans meet all requirements as required by code. Plans shall include complete information regarding the system or system alteration including specifications, cut sheets, wiring diagram, piping diagram and floor plans. The fire official, prior to the issuance of the permit shall review plans and specifications and may contact you to schedule a pre-inspection. **Work shall not begin until a permit has been issued. All inspection requests require a minimum of 3-day notice.**

Puff tests or other operational tests may be required depending on system type. See your permit for additional information.
