PERMIT

INSTALL FLAMMABLE OR COMBUSTIBLE LIQUIDS UNDERGROUND STORAGE TANK

Permit Fee of \$50.00 shall be made payable to the "Town of Brentwood, NH".

All work shall comply with NFPA 30 Flammable and Combustible Liquids Code and NFPA 1 Uniform Fire Code, (editions as adopted by NH Fire Code SAF-C-6000 and local ordinance).

This permit is granted to install, repair, or alter any stationary tank(s) for the storage of flammable or combustible liquids and shall be accompanied by a general description of the proposed work. It shall also include one copy of a drawing indicating location, use, capacity and piping arrangement of all existing and proposed tank locations, which are to be located upon the premises and all adjacent buildings and property lines.

This Fire Department requires that a letter from the New Hampshire Oil Remediation and Compliance Bureau be submitted before a permit is issued. This letter must state that the work will meet their requirements and they have issued a state permit for the work, or a letter from them exempting their permit requirements.

The Fire Official shall be notified not less than 3 days in advance so that they may witness:

- The tank has an approved identification label affixed to it.
- Air test before tank is placed in the ground.
- Air test with all connecting line in place and BEFORE tank(s) are covered.

WORK SHALL NOT BEGIN WITHOUT FIRST SECURING A PERMIT.
