Budget Committee
Brentwood, NH

Dear Members of the Budget Committee:

Please accept this letter as my resignation from the Budget Committee, effective immediately.

It has been a privilege to serve on the Committee for all these years. I am very grateful to the people of our town for electing me and giving me the opportunity to serve our community.

Unfortunately, changes in my job responsibilities that occurred within the last week will place significantly greater demands on my time, including additional work commitments and travel. Because of these unexpected changes, I will not be able to dedicate the time needed to be a fully participating member of the Committee.

This was not an easy decision. I have enjoyed serving on the Committee and take the responsibility that comes with being elected by the people of our community very seriously. That is why I believe it is only fair to the residents of our town and to the other Committee members that the Committee be made up of members who are available to dedicate the necessary time and effort to its work.

I apologize for the short notice. Given how recently my work responsibilities changed, this was not something I could have anticipated earlier.

Thank you to the residents of our town for giving me the opportunity and privilege to serve.

Thank you to my fellow Committee members for the time we spent working together. I wish you all a productive and successful budget cycle and continued success serving our town.

I respectfully ask that this letter be included in the minutes of the next Budget Committee meeting.

Sincerely,

Alina Arida
